SUBJECT INDEX Volume 2

A

Algorithms, use and misuse in nursing staff development, 65

B

Book reviews
Addison-Wesley Photo Atlas of Nursing Procedures, 40
How to Teach Adults, 171
Nursing Quality Assurance: A Unit Based Approach, 87
Surviving Nursing, 129

C

Care plan, new approach to, 120
Certification, of nursing staff educators
point against, 8
point-counterpoint, 2
point for, 5
Charge nurse, developing a leadership program for, 138
Clinical Nurse Specialist, underutilized staff development resource, 23
Code syndromes, teaching nurses to cope, 52
Communications skills, teaching (focus), 165
Concept mastery, in nursing staff development, 162
Contracting, collaborative approach, 157
Cost containment
and hospital education services, bottom line, 28
nursing contribution to group preoperative teaching that shortens hospital stays, 18
Credentialing, of nursing staff development educators
point against, 8
point-counterpoint, 2
point for, 5
Critical Care Nursing, Electrocardiogram Interpretation (media review), 41
Crosstraining, in preceptor training program, 70

D

Data collection, for generation of nursing diagnoses, 56
Death, paradigm for thinking about, 114
Diagnoses. *See* Nursing diagnoses

E

Education
continuing
does it make a difference? 81
marketing strategies to increase participation in, 98
contracting, collaborative, 157
coping with code syndromes, 52
cost, value, and productivity, 28
preceptor training program (focus), 33
preceptor crosstraining in, 70
testing, validity and reliability of, teacher-made, 105
transition programs for new graduates, 150
Educators, nursing staff development, certification of
point against, 8
point-counterpoint, 2
point for, 5
Electrocardiogram, interpretation in critical care nursing (media review), 41
ESRD. *See* Renal disease, end-stage
Experimental learning, in staff development (focus), 79

F

Forms, improving readability of (focus), 37

G

Goal setting, three-way rotation nominal group technique, 13
Graduates
program for (focus), 165
transition programs for, 150
Grand rounds, practical approach (focus), 83
Groups, goal setting in, three-way rotation nominal technique, 13

H

Hospital forms, improving readability of (focus), 37
Hospital stay, group preoperative teaching program to shorten, 18

K

Kidney. *See* Renal disease

L

Life support, strategy game for (media review), 131
Leadership, program for charge nurses, 138
Letters to the Editor, 43, 174

M

Media reviews
The Disaster Game, 172

Lub Dub: An Advanced Life Support Strategy Game, 131
Nursing N85 Writing for Nursing Publications, 88

N

Nursing care plan, new approach to, 120
Nursing diagnoses, focused data collection for, 56
Nursing grand rounds, practical approach (focus), 83
Nursing practice, and paradigm for thinking about death, 115
Nursing Procedures, Addison-Wesley Photo Atlas of (book review), 40
Nursing publications, nursing writing for (media review), 88
Nursing orientation. *See* Orientation
Nursing staff development. *See* Staff development

O

Orem, D.E., applying theory of self-care to staff development (focus), 77
Orientation
competency-based (focus), 126
program for staff development, clinical evaluation of, 110
trivia game for (focus), 165

P

Patient education, for ESRD, 144
Peer review, setting up a system, 47
Preceptor training program (focus), 33
cross-training in, 70
Preoperative teaching, to shorten hospital stay, nursing contribution to, 18
Productivity, hospital education services and, 28

Q

Quality Assurance, Nursing: A Unit Based Approach (book review), 87

R

Renal disease, end-stage, instructional program for, 144
Research
perspectives on, 169
teaching the process of (focus), 126

S

Staff development
Clinical Nurse Specialist as underutilized resource, 23
concept mastery in, 162
experimental learning in (focus), 79
management blueprint for, 134
Orem's theory of applying self-care to (focus), 77
Self-care, Orem's theory applied to staff development (focus), 77
setting up a peer review system, 47
value of, critical issues, 94
use and misuse of algorithms in, 65
Surviving Nursing (book review), 129

T

Tests, teacher-made, validity and reliability of, 105
Training. *See* Education; Preceptor training
Transition programs, for new graduates, 150
